4. Outcomes <i>some examples</i>		Success criteria
A.	Feedback and marking	Children will be able to identify the challenges or misconceptions identified in marking and feedback and will then be able to articulate impact of that during Feedback and marking sessions to reinforce understanding of learning.

B.	Reading comprehension	Children will be able to talk about the books they have read and predict and infer from the text. The impact will be deeper comprehension of what they read.
C.	Homework support	PP children will have opportunities to complete or go over homework in school. The impact of this will be that like their peers they will complete homework and be ready for the next step in their learning.
D.	Core knowledge of number work skills	PP children will have quick recall and skills to understand maths problems and how to apply them.

5. Planned expenditure					
Academic year		2016-17			
The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?

To continue to narrow the gap in attainment.	Staff training on high quality feedback – continuing (inset sept '15) Book scrutinions to evaluate marking and feedback TA support for evaluating Feedback/markings (HT & SENDCo)	We want to invest some of the PP in longer term change which will help all pupils. Many different evidence sources, e.g. EEF Toolkit suggest high quality feedback is an effective way to improve attainment, and it is suitable as an approach that we can embed across the school.
