PE and Sport Funding 2014/15

Deerhurst & Apperley School

We believe that sport not only contributes to the physical development of pupils but also makes a significant contribution to pupils' personal wellbeing and enjoyment of school.

We are proud of the PE curriculum and sporting opportunities that we offer.

Our children have the opportunity to experience and gain skills in a wide variety of individual and team sports.

Through our learning community we participate in swimming galas, tag rugby, football, netball and rounders tournaments as well as inter school festivals, for example, football festivals for KS1. We also hold a successful competitive Sports Day during the Summer Term; the Sports Trophy is awarded to the winning house team at our final celebration assembly.

Through residential visits in years 5 and 6, children are able to take part in outdoor activity challenges such as archery, abseiling, dragon boat racing & trapeze.

We also have links with Cheltenham Town Football Club to provide after school activities and with Tewkesbury School to provide opportunities in a Secondary School environment.

Sports Premium

Deerhurst and Apperley School has been awarded the government grant of £8,350 for 2014/15 as part of a two year funding to improve provision of PE and Sport in primary schools.

The funding is calculated on pupil numbers and can only be spent on provision of PE and sport.

Schools must spend the additional funding on improving the provision of PE and Sport, but they will have the freedom to choose how they do this.

We intend to use it in the following ways:

Summary of PE spending

Objectives:

- Employment of TA to support the teaching of PE & Sport and to provide professional development & coordinate and expand extra-curricular PE in school.
- Improving resources in school for delivering high quality PE.
- Developing healthy lifestyles through increased opportunities.
- Improving physical levels during lunchtimes.
- Increasing school sports opportunities.
