

### **Literacy**

We will be looking at a range of books such as The Jolly Postman to 'From Mud huts to Skyscrapers'. We will be sending postcards; writing a diaries and using non-fiction books to find information about architects and emergency service workers. We will continue to ascribe meaning to marks we make.

### **Maths**

We will continue to focus on number and place value (counting forwards & backwards to 20 and addition and subtraction). We will be looking at capacity and sequencing events (time) this term.

### **R.E**

As we explore our school value of Thankfulness this term and we will create a Helping Hands tree to celebrate kindness and helpfulness. We will be thinking about our wonderful world and Christians important job as caretakers. We will create a indoor spring garden to celebrate Easter.

### **Understanding of the world**

We are beginning to think like scientists and investigating sound, reflective materials and finger prints. In **ICT** we will using everyday technology such as laptops and microwaves. We will continue to practise mouse skills and how to stay safe on the internet.

## Reception

Spring Term 2 2017

We are learning about . . .

## People Who Help Us

### **PE**

Balance bikes with Mr O'Hara will continue for two weeks. We will then be using the hall to focus on making shapes with our bodies and creating a Emergency Services dance.

### **Expressive Arts and Design**

We will exploring mixing primary colours to make new colours. Making power up smoothies to think about healthy eating and designing our own famous landmarks as architects and construction workers.

### **Personal, Social, Emotional Development**

We will be thinking about our rights as children; making rules and how to keep ourselves safe around and outside school. We will talk about and explore different feelings and friendships.

### **Can you help?**

Calling all Farmers, Postal workers, Doctors, Dentist, Nurses, Optometrists, Vets, Police officers, Fire fighters, Paramedics, Builders, Mechanics, Inventors, Engineers, if you available to talk to the class about your job you will be very warmly and gratefully received.
