## PE and Sport Funding 2019-20 and impact for 2018-19

### Deerhurst & Apperley School

This year, once again, Deerhurst and Apperley have applied for the School Sports award Gold Standard. We believe that sport not only contributes to the physical development of pupils but also makes a significant contribution to pupils' personal wellbeing and enjoyment of school. We look to inspire and engage children's interest in sporting activities through providing a wide range of opportunities within school, after school and within the wider community. We look to foster children's interest in physical wellbeing and healthy lifestyles in order to establish long lasting lifestyle messages. Furthermore, at Deerhurst we look to promote our Christian values through sports and positively encourage all children to take part in opportunities. We are proud of the PE curriculum and sporting opportunities that we offer. Our children have the opportunity to experience and gain skills in a wide variety of individual and team sports.

Through our learning community we participate in swimming galas, tag rugby, football, netball and rounders tournaments as well as inter school festivals, for example, football festivals for KS1. We also hold a successful competitive Sports Day during the Summer Term; the Sports Trophy is awarded to the winning house team at our final celebration assembly. Once again this year our Sport Leaders will run our Sports Day 2020. We also award trophies to best Sports Girl and Best Sports Boy annually and these achievements can be seen recorded in our School Awards Book. Through residential visits in years 5 and 6, children are able to take part in outdoor activity challenges such as archery, abseiling, dragon boat racing & trapeze.

We also have consistently good links with Cheltenham Town Football Club to provide after school activities and with the Cheltenham and North Tewkesbury Sporting Network

### Sports Premium

The government is continuing to provide additional funding per annum to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school head teachers. Primary Sports Premium Funding

The Department for Education has allocated all primary schools a Sports Premium grant to help them achieve the following vision:

ALL pupils leaving primary school will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. This academic year, 2019-20, the DoE is providing funding to £16,000 per

school and £10 for each child in school.

### Summary of PE spending forecast 2019-20

#### Objectives: Overview

1. the continued engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles; Linking personal development with the latest Ofsted framework Sept 2019;
2. the continued raised profile of PE and sport across the school for whole school improvement;
3. continued confidence, knowledge and skills of all staff in teaching PE and sport;
4. continued experience of a range of sports and activities offered to all pupils;
5. continued increased participation in competitive sport.
6. Ensure focused health and well-being sessions will be available for children, this will include mental health.

#### Deerhurst and Apperley Primary School will achieve this overview by:

- ✓ Continuing to employ an experienced TA (QTS) to support the teaching of PE & Sport and to provide professional development to all staff & coordinate and expand extra-curricular PE in school.
- ✓ Book dance and fitness classes through the autumn term (initially)
- ✓ Forest School opportunities for KS 1 – linked to health and well being
- ✓ Health and well-being opportunities to raise profile of mental health and how that links to physical activity
- ✓ Continuing to improve resources in school for delivering high quality PE.
- ✓ Developing healthy lifestyles through increased opportunities.
- ✓ Improving physical levels during lunchtimes
- ✓ Continue with The Daily Mile for all children
- ✓ Increasing school sports opportunities within school time and after school clubs
- ✓ Increase awareness of nutrition and the impact on healthy lifestyles ( link to mental health drive)
- ✓ Engage parents on the importance of healthy snacks
- ✓ Increase awareness on mental well-being and the impact on health by having a dedicated session for outdoor learning and developing deeper understanding of online safety
- ✓ Continue to replace storage and equipment that is old and worn
- ✓ Consider the purchase of an outdoor gym
- ✓ Y6 children will be able to swim 25 metres by the end of Y6 if needed money will be directed outside of curriculum requirements (Heidi's heroes for those who can't swim)
