

Deerhurst & Apperley School

PE and Sport Funding 2017-18 V2

Deerhurst & Apperley School

We believe that sport not only contributes to the physical development of pupils but also makes a significant contribution to pupils' personal wellbeing and enjoyment of school. We look to inspire and engage children's interest in sporting activities through providing a wide range of opportunities within school, after school and within the wider community. We look to foster children's interest in physical wellbeing and healthy lifestyles in order to establish long lasting lifestyle messages. Furthermore, at Deerhurst we look to promote our Christian values through sports and positively encourage all children to take part in opportunities. We are proud of the PE curriculum and sporting opportunities that we offer. Our children have the opportunity to experience and gain skills in a wide variety of individual and team sports.

Through our learning community we participate in swimming galas, tag rugby, football, netball and rounders tournaments as well as inter school festivals, for example, football festivals for KS1. We also hold a successful competitive Sports Day during the Summer Term; the Sports Trophy is awarded to the winning house team at our final celebration assembly. We also award trophies to best Sports Girl and Best Sports Boy annually and these achievements can be seen recorded in our School Awards Book.

Through residential visits in years 5 and 6, children are able to take part in outdoor activity challenges such as archery, abseiling, dragon boat racing & trapeze.

We also have links with Cheltenham Town Football Club to provide after school activities and with the Cheltenham and North Tewkesbury Sporting Network

Sports Premium

The government is providing additional funding per annum for to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. **Primary Sports Premium Funding**

The Department for Education has allocated all primary schools a Sports Premium grant to help them achieve the following vision:

ALL pupils leaving primary school will be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. This academic year the DoE is providing increased funding to £16,000 per school and £10 for each child in school. **The criteria for spending this money will be released in October 2017.** However, in the meantime, Deerhurst and Apperley have a summary of proposed spending that will be conditional on the award

Summary of PE spending forecast 2017-18

Objectives: Overview

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles;
2. the profile of PE and sport being raised across the school as a tool for whole school improvement;
3. increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. broader experience of a range of sports and activities offered to all pupils;
5. increased participation in competitive sport.

Deerhurst and Apperley Primary School will achieve this overview by:

- Continuing to employ a TA to support the teaching of PE & Sport and to provide professional development & coordinate and expand extra-curricular PE in school.
- Improving resources in school for delivering high quality PE.
- Developing healthy lifestyles through increased opportunities.
- Improving physical levels during lunchtimes
- Increasing school sports opportunities.
- Increase awareness of nutrition and the impact on healthy lifestyles
- Increase awareness on mental well being and the impact on health
- Increasing resources for playtimes
- Replace storage and equipment that is old and worn
