The children in school had a wonderful art day based around The Big Frieze, a Bible time line that we use in school when delivering our RE and worship. School created their own Big Frieze and had great fun doing it and learning about the events in the Bible timeline. The finished product will be available throughout the school holidays in Apperley church and you will be able to see the lovely art work to create it. There will also be an opportunity for you to leave a comment about it. Please try to visit it over the school holidays. Thank you to Mrs Phillpotts, our Bishop's visitor and Rev Jenny and Iise who visited us on the day and left some lovely comments.

Pick Up Bags

Thank you to all of you who sent in a 'Pick Up Bag'. We collected around twenty. It is so kind of you to fill these bags and they will be delivered next Thursday to Matson youth club. We will look to do one again near to Christmas, thank you for your generosity and kindness.
