### Class 3

Class Three enjoyed their red, white and blue themed God's eye weaving to make decorations for our VE Day celebrations.

### Class 3

As part of their computing this term, Class 3 have been exploring 3D modelling using the TinkerCAD software. They have learned how to lift objects off the workplane, group them and make holes in them so that they are 3D. They have used these skills to make funky name badges and pencil pots so far and are now going to apply what they have learned to designing their model for our DT project.

### Class 3

In RE this half term, they have been considering their Key Question, 'What Would Jesus Do?' They wrote news reports, using information about what is happening in the world today by looking at some current news online. They thought about what we could do to make the world a better place.

Class One have also been learning about the Jewish festival of Sukkot, they have started making model sukkahs. Thank you to everyone who sent in boxes at short notice.

Congratulations to Max who has been awarded his 'Rusty' certificates for all of his fantastic Numbots maths.

A huge well done to Betsy and Hendrix who have both been named Swimmer of the Week by their Swim Academy.

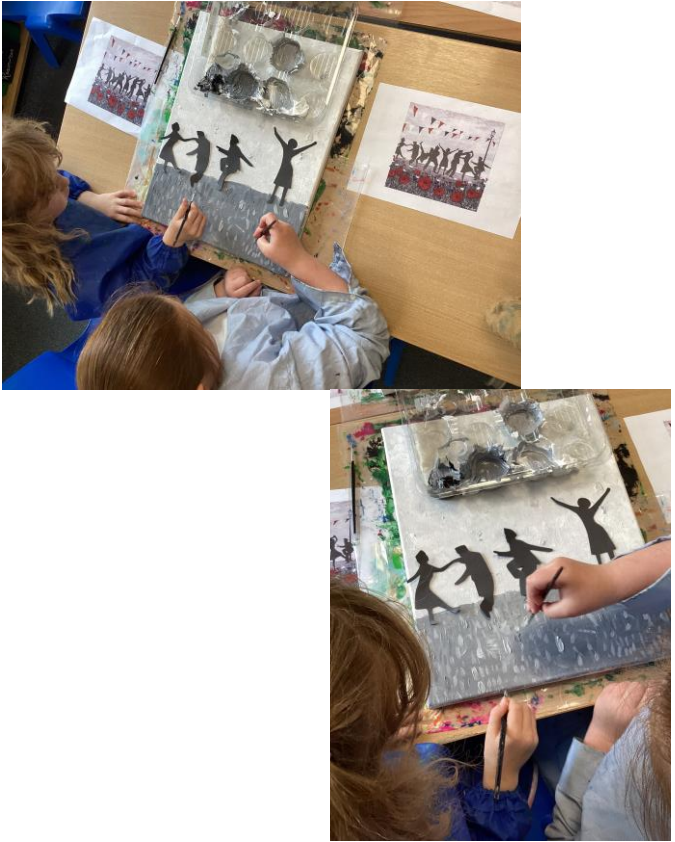

Fantastic achievement!

Thank you to all the families who came and shared a drink and a cake with us to celebrate VE Day. The children had been learning about this very significant day in history, celebrating the formal acceptance by the Allies of World War II of Germany's unconditional surrender of its armed forces on Tuesday, 8 May 1945. Thank you to the PTFA who supplied such wonderful food and drink for everyone to enjoy. Also thank you to Mr Burrows, our PCC governor who came along to support the occasion too.

Class 2 have been creating a wonderful piece of art work to celebrate VE Day which will be put up in school. They looked at what VE Day is and how it is a celebration of peace. They chose this piece of art work because it shows how they celebrated.

Class One thoroughly enjoyed learning about and celebrating VE Day.
