Class 2 and Class 3 school trip to Warner Bros. Studios

Studios

Class 2 and Class 3 had an amazing time at the Harry Potter Studios on Wednesday 2nd October. Their experience started with a workshop on 'costume distressing'. They found out how the actors' costumes are distressed during battle scenes to make the final film scenes look more realistic. They then had the opportunity to distress our own piece of material. After their workshop, they were then able to take a tour of the studios and experience the different sets that were used during the filming of the movies. They had a fantastic time and the children made us all very proud with their polite manners and impeccable behaviour.

Congratulations to Daisy who has been awarded her Life Saver Level 1 Award! Well done!

Forest School

Class 3 really enjoyed their first Forest School of the Autumn Term. They had great fun den building, practiced their whittling skills, collected leaves for leaf litter and 'cooked' in the mud kitchen. Thank you Mrs Cane for setting up all of those activities for us. They are already looking forward to our next session.

Autumn Trail

Not long to go until the Autumn Trail, we hope to see as many of you there as possible to enjoy the displays, drinks and cakes and arts and crafts.

Little Deers have been getting excited about making their scarecrow display for the Autumn Trail. We have made mini versions of our own scarecrow and been listening to the Scarecrows' Wedding Story!

Rev. Kay visit for Little Deers and Reception

Reception & Little Deers had a lovely visit from Rev. Kay to talk about Harvest in preparation for their Harvest Service. They talked about how plants start as seeds and how they grow and it is good to share produce with others.

A warm and joyous welcome back to Kate and Freddie! Reception loved meeting Freddie and Kate this week, the children enjoyed walking Freddie and talking to him about their day at school.

All the children had a visit from Mrs Haorau, who is one of our finance governors, to hear about money and investments. The children asked many questions and were interested to learn more about saving and spending. They also shared information on their pocket money and how they earned it!
