They have been thinking about their mental health and well-being. They thought about the things that make us feel good.

Class 3

As part of Safer Internet Day, Class 3 investigated how to spot online scams and how, by using the acronym SCAM, they could work out whether or not they were being scammed! They made some amazing posters to alert people to what they should watch out for.

Head Boy & Head Girl Blog!

The Year 6 have been using the hub as their common room this week. This is a special event that year 6 have each year. They have been playing games and enjoying air hockey. PC Curtis has been into school to talk about online relationship safety. This has been a great week!

Little Deers have continued to look at different people who help them. A huge thank you to Eliza's mum for coming in and talking to Little Deers about how to look after our teeth, they had a great time brushing teeth and making play dough teeth and braces. Little Deers looked at the Police and how they keep us safe. They looked at fingerprints and learned how they are all unique.

Class 3

PC Pete Curtis visited Class 3 to talk to the children about online relationships. They learned that they shouldn't post anything online that they wouldn't say to someone face to face, that they should never arrange to meet up with anyone they don't know personally and if they are unsure about anything they hear, see or read online, they should tell a trusted adult.

Congratulations to Luke, Molly P & Alba for achieving their scribe award.
