The Stitch Story

We were very lucky to welcome back the Stitch Story group once again. They showed us the finished tapestry and children were able to see where their stitches were in the whole item. It is a wonderful piece of art and it will be hung in Tewkesbury Abbey through July and August.

Congratulations to Jack, he attended his first pony show and got a clear round in the showjumping class.

Betsy was very proud to show her rosette, medal and goodie bag which was awarded to her by Dean Close school for doing wonderful show jumping.

It was lovely to see so many parents who visited for Class 1 worship. The children did remarkably well in their performance of Zacchaeus, linked to our value of truthfulness this term.

A huge thank you to Eden's daddy in Class 2 who has carved us a wonderful cross, depicting God the Father, God the Son and God the Holy Spirit.

Poppy and Estee built a lovely church garden from their Lego which they were very keen to show me. It was wonderful how they thought about nature and the cross. Well done girls!

Honours List

Each week, awards for children's achievement will be presented in Celebration Assembly. We will also recognise children who have demonstrated our value for each term in the everyday life of our school - our value for Term 6 is Truthfulness.

Class 3

Class Three have been busy with integrated tasks this week which has been about life in the Middle Ages. They have looked at the battles in the Wars of the Roses including the Battle of Tewkesbury, compared King Henry VI and King Edward IV, investigated the rules of medieval heraldry and finally applied those rules to create a shield for a knight using our computer programming skills. They are now looking forward to our trip to the Tewkesbury Medieval Festival.

Congratulations to Estee who has won some impressive rosettes for her efforts in the Gymkhana and Handy Pony competitions at Ledbury Hunt pony club! Well done!

Class 1 had great fun making jelly and then writing instructions for 'How to make jelly' using imperative verbs and time conjunctions. Once the jelly had set they enjoyed eating it whilst listening to a story. Many of the children wanted seconds!

Forest School

Class 3 thoroughly enjoyed their Forest School taster session. They worked together to build dens and even took art outdoors by making clay faces on tree trunks, using natural materials.

Congratulations to Perdi who took part in the Working Hunter Classes with the Ledbury Hunt at the weekend and won a super championship sash - which she was very proud to wear and a variety of exciting rosettes. Well done Perdi!

Year 6 had a wonderful time at the Year 6 Leavers' service on Thursday this week. Many hundreds of children attend the service at the Cathedral as part of our family of Gloucestershire church schools. Sophie and Eleanor started the whole service off and did a superb job! The children were presented with a Holding Cross key ring which can fit comfortably into the palm of their hands when they want to reflect or have a quiet time to pray.

George loved taking a Tudor house to another Tudor house to share with his family at home. What a superstar for sharing his learning at home! During Maths, this week the children have been practising their adding and subtracting skills using counters and stories.
