Learning and living as children of God

(Ephesians 5:1) (You are God's children whom he loves. Try to be like God)

Thursday 30th January 2025

Dear Parents/ Carers,

We would like to take Reception and Class 1 children to visit All Things Wild in Evesham, Worcestershire on Tuesday 18th March 2025. All Things Wild aim to show the amazing things that nature can bring, whatever the weather. They offer a diverse range of activities that suit all ages and encompass the values that we hold as a school; that while animals are a great way of educating, they should be treated with respect and care. For this reason, they aim to keep the animals in an environment that is as close to their natural habitat as possible.

The children will take part in workshops such as 'Feathers, Fur & Scales' discovering differences between different animal groups, whilst meeting some of the animal residents. This will consolidate and support further learning in science such as understanding the differences, textures (feathers, fur and scales), adaptations and animal body structure with hands on interaction.

We will be leaving by coach promptly at 9:00 am and arrive back at school for 2:45pm. Children will need to bring a labelled water bottle, including a packed lunch from home or an ordered packed lunch from Cater Cater as well as morning snack for the day in a backpack. We will be spending time outside and therefore suggest that the children come equipped for all weather. They will need to wear school uniform with comfortable waterproof shoes/trainers/boots and dressed for warmth!

I would like to order a packed lunch from Cater Cater Jam, Ham, Cheese Yes/No
