2022 at Deerhurst and Apperley has begun with a taster for all the children of Time to Shine Cricket. All classes were involved in a session with Olly, and enjoyed some cricketing action. Whilst observing the children there were definitely some budding cricketers out there and we will be doing more cricket in the summer terms and hopefully having an afterschool club too, so watch this space for details.

There are still children arriving late for school. Please try to be on time as late arrivals don't only impact on the child arriving but all others in the class. I appreciate there are times when holds up happen because of road works & this can't be avoided.

Class One have been making models to help them remember The Five Pillars of Islam.

Reception have begun their literacy work all about dragons and they are going to investigate if dragons are real or not? The children have spent time over the last two weeks creating a wishing tree to show respect for others' wishes and choosing different threads for friendship bracelets. We decided to design a Holy Trinity bracelet using purple for God; red for Jesus and white for the Holy Spirit.

Netball club started this week with 15 children in years 2 and 3 taking part. It was a cold but sunny afternoon, let's hope for more of the same over the next few weeks so that we can get plenty of practice in.

Each week, awards for children's achievement will be presented in Celebration Assembly. We will also recognise children who have demonstrated our value for each term in the everyday life of our school - our value for Term 3 is Perseverance.
