01/11/21: Term 2 Starts

Class 2 parents

Thank you to the parents of Class 2 children who organised a drop in surprise for Miss Rimmer, Mrs Cane and Mrs Brewin with some lovely gifts.

Last minute notice received today informs us that Deerhurst and Apperley have another win for The Primary Engineers Award!

We also say goodbye to Charlotte in Class 2 today, we wish her all the best for the future, We will miss you!

Thank you to the parent who sent this email in to us all it has been an incredibly hard time for everyone but messages like this make it feel all worthwhile. It is wonderful to hear that we make such a difference because that is exactly what we all strive to do!

Just wanted to say thank you again for the incredible place that is Deerhurst and Apperley school!

You are all so incredible and continue to amaze us with your care and dedication to every child. Little Deers has been such a wonderful start for xxx and xxx. I can't thank Jenny and Sandra enough - what wonderful, talented kind people. Such a special place.

Miss Robinson's passion and sincerity made me feel totally overwhelmed at the new reception info morning, so excited for xxx to be getting such an impeccable deal. Mrs Perry has been utterly brilliant in all of her support to xxx this year. In such a challenging couple of years it has been so lovely to know that Mrs Neveu has had everything covered. Mrs Mottram's care and communication has been wonderful too.

Thank you and Goodbye

As we come to the end of term I would like to say a huge thank you and goodbye to:
Mrs Collins, Mrs Jackson and Mrs Champness also to three of our outgoing governors, Mr Mulligan, Mr Ahearne and Mr Mackenzie. The support from all these people has been immeasurable to our school community.

I would also like to say thank you to all of you who have continued to support the PTFA during this academic year and indeed, the PTFA members who have continued to organize and support things around school, fixing things and helping out over lunchtimes. I never take anything for granted and I am humbled that you are so keen and eager to help us all. A huge special thanks to Audrey and Billy who do such a good job around the school grounds for us.

Welcome

A big welcome to Miss Aberdeen who will be joining Jenny at Pre school in September, Mrs Baker-Hale who will join us as a sports specialist, Mrs Argyle joining Mrs Perry in Class 1 and Miss Jones who will be joining Class 3 as a TA from September.

Honours List

Each week, awards for children's achievement will be presented in Celebration Assembly. We will also recognise children who have demonstrated our value for each term in the everyday life of our school - our value for Term 6 is Truthfulness.

Award winners for w/c 5th July - 12th July 2021

Achievement:

Reception - Reception Class for being super stars all term!

Class 1 - All of class 1 for being an amazing team!

Class 2 - All of class 2 for their recycled bottle top art.

Class 3 - Class 3 for working so well together on our Mission, Survive & Thrive day.

Values:

Reception - Clara.

Class 1- Zahara, Eleanor, Isla & Edie.

Class 2- Eden & Jonathan.

Class 3- Ryan & Emily.

Award

As you know everyone in school took part in the Primary Engineers Leaders Award in the spring time. We have been very recognized with passes and merits and have had six distinctions! Well done to Poppy-Mae, Betsy, Connie, Amelia VG, Sophie VG and Naomi! A big well done to all children who took part! Naomi in Year 6 and Amelia in Reception have received first prize in the competition. Naomi designed an umbrella to go over washing when the rain starts and Amelia a robot that cares for dogs! Watch this space for any updates in the next academic year.

Highly commended were Poppy Mae and Betsy! Fantastic achievements!

Mary Mulligan was a previous winner of the Primary Engineers Award whose design went on to being made. She has recently taken part in a pod cast with the engineers who made the design at Bristol UWE. The relevant episode will be available from July 23rd, and can be accessed via iTunes or Spotify etc. If you go to iTunes and search 'Primary Engineer' or 'If you were an Engineer' it will bring up the podcast. It will also be available on their own website -

primaryengineer.com

Last week we welcomed Dave from Box2Bfit, who delivered brilliant sessions to all our classes based on fitness for boxing. The children had a fantastic time learning new skills to help with their fitness, and we have also purchased all of the equipment so that we can continue to run these sessions in school. All of the children received a blueberry snack in recyclable boxes and the school was given a gift of a blueberry bush, so that we can continue to grow our own.

Well done to Molly P she completed her ballet show beautifully as a butterfly at the weekend; she was asked to lead all the little ones on in the dance!
