**Learning and living as children of God**  
(Ephesians 5:1) (You are God's children whom he loves. Try to be like God)

Dear Parents, Carers and Governors,

Tuesday 15<sup>th</sup> February 2022

## Update

As we approach the end of our first spring term I would like to thank you for wearing face coverings in the school grounds and when you have come into school for various things or spoken with staff. We have had regular cases of COVID in school as I know you are aware of but wearing masks, I am sure, have helped us to contain our situation to some extent.

From the start of next term face coverings will not be required for dropping off or picking up and our main gate will be open as normal for both exit and entry. Thus suspending the one-way system.

However, any face to face meetings with staff may I ask that you continue to wear them during the meeting. This will apply to book looks booked and Parent Evenings. This is at the request of staff in school as a result of a survey. As the government lift restrictions next term we will review, as always, going forward. We very much look forward to welcoming you all back into school on a very much 'normal' basis as the year moves on.
