This is the Home Learning timetable outlining the activities that will be set each day.

- There are variety activities for each day; each activity has a guide as to how long it should take to complete.
- Resources to accompany the activities can be found on Seesaw. This includes instructions for the activity, worksheets and any external links to other materials such as videos which may be needed to complete the activity.
- The work for the day can be done in any order but please follow the daily timetable i.e. only do the work set for that particular day and not other days.
- Work for the day will need to be uploaded to Seesaw by 3pm for checking.

In addition to this, children should also be continuing to read for 15-20 minutes on a daily basis and learning their spellings.
