

CLASS THREE HOMELEARNING TIMETABLE SPRING TERM 1 2021

This is the Home Learning timetable outlining the activities that will be set each day.

- There are a variety of activities for each day; each activity has a guide as to how long it should take to complete.
- Resources to accompany the activities can be found on Seesaw. This includes instructions for the activity, worksheets and any external links to other materials such as videos which may be needed to complete the activity.
- The work for the day can be done in any order but please follow the daily timetable i.e. only do the work set for that particular day and not other days.
- Work for the day will need to be uploaded to Seesaw by 3pm for checking.

In addition to this, children should also be continuing to read for 15-20 minutes on a daily basis and spending time learning their spellings. A weekly photograph of your reading diary can be uploaded to Seesaw on Friday. You should also send me a video of you reading a page of your reading book one day every week. Copies of the spelling lists for this term can be found on the Class 3 page of the school website.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Optional Activity PE with Joe Wicks: live 9am Monday, Wednesday and Friday				
Maths –approx 60 mins White Rose Maths Home Learning	Maths –approx 60 mins White Rose Maths Home Learning	Maths –approx 60 mins White Rose Maths Home Learning	Maths –approx 60 mins White Rose Maths Home Learning	Maths –approx 60 mins White Rose Maths Home Learning
