

I AM FISH

I am fish

In the day I peacefully swim
in my bowl but at night, king
of my castle, I sleep and
dream

I dream I am a gigantic blue-fin tuna fish in the ocean fleeing
from the boats chasing me

I dream I am the swordsman of the deep blue sea
Slicing through the warm water as I swim

I dream I'm hiding in the reeds waiting for my prey,
I pounce piercing my razor teeth through my dinner like
Dracula

I dream I am the workman of the ocean,
I spy with my wide eyes in the tropical waters surface
Waiting for something to catch in my trap.

I dream I am the king of the world, black and white
I sleep at night but in the day
I hunt at the surface of the water searching for a prey.
And I tell you my dreams so you can dream with me.
