

# **I Am Shark**

I am shark

In the day I swim amongst the coral  
But in the night I rest among the rocks  
And when I rest I dream.

I dream I am the tool of the ocean  
Crashing rocks as I swim through the water.

I dream that I am the blue core of the ocean  
Chomping through my prey.

I dream that I am the wind of the sea  
Zooming through the water like a bolt of lightning.

I dream that I am a dangerous shark  
The ruler of my kind.

I dream that I am a biscuit shark  
Biting all I see with my razor teeth.

I dream I am the whale shark, giant of the sea  
Eating colonies of fish.

And I tell you my dreams so you can dream with me.
