

I Am Shark

I am shark.
In the light I hunt for the
hunted but at night I rest in my
dark cave.
And when I rest I dream

I dream that I am the roamer of the warm oceans, blending
in with the ocean floor,
Unseen by the creatures around me
But when disturbed I will attack.

I dream I am king of all oceans
Swimming as fast as lightning, diving down to hunt my
smaller cousins
Piercing into their smooth skin.

I dream that I swim in the calmest of the deep, blue
Australian waters.
Blending in with the beautiful coral around me.

I dream I am the wonderer of the tropical oceans,
With my hammer-looking head,
I spy on prey from afar.

I dream that I am the largest shark,
Swimming calmly with my jaw wide open
To welcome shrimps, plankton and other small fish.

And I tell you my dreams
So you can dream with me.
