CaterCater Allergies and Special Diets Parent's Guide

SAFETY IS OUR NUMBER ONE PRIORITY

Every member of our management team is also a parent so we understand the intricacies of ensuring your child has a healthy and balanced diet. This becomes even more pressing when a child has allergies or food intolerances.

We are here to help and are able to create safe meals for your child so that they can enjoy safe, nutritional meals alongside their friends. Our team adapt our menus and can create specific dishes to accommodate your child's needs including gluten free and vegan.

Nutrition

Our Nutritionist, Claire Saunders works with our team of development chefs ensuring compliance with the school food plan, packing our menus with nutritional goodness.

School meals provide a well considered balance of carbohydrates, fats and proteins; ideal to keep children with steady fuel for the task of learning.

Wholesome home cooked meals, full of fresh fruit and vegetables to give your child the energy they need.

How to order and pay

Go to <https://www.parentpay.com/>

Choose the meals you would like (ideally for the term) and they are added to your shopping basket and pay as normal.

Log into your child's school account

Please place your order for a minimum 4 week period

All 4 weeks menus can be found at book meals and places/make bookings

Your child enjoys a healthy, balanced meal!

TERMLY MEAL ORDERS

Ideally we would prefer meals to be ordered for the term, but we will accept orders with one weeks notice. However, we also understand that oversights can happen and last minute requests can be called through to our catering team who will do everything they can to ensure your child has a lunch provision.

Free School Meals

Your child may be able to get free school meals:

It is quick and easy to check.

Go to <https://www.gloucestershire.gov.uk/education-and-learning/school-transport-and-free-school-meals/apply-for-free-school-meals/>

You will receive an instant response as to whether you are entitled to free school meals once you have submitted your claim. All you need is your National Insurance Number and a current email address.

For every child that is entitled to free school meals the school receives extra funding to enhance provision and improve progress and outcomes for children. So please apply even if you do not wish to take up your free school meal.
