Part A: Pupil premium strategy plan

Referring to the implementation process informs our decisions.

Statement of intent

Regardless of starting point, social background, past experiences or any other social or educational barrier or external factor, our aim is to inspire our children in their learning by providing all children with a rich, broad and balanced curriculum. Our intent is to ensure they have opportunities for cultural capital experiences, wellbeing support that will help to remove any barriers to their learning at Deerhurst and Apperley C of E Primary School.

Our Key statement of intent relating to objectives for spending the Pupil premium are currently:

- To ensure all PP children achieve inline or better than their peers to narrow the gap in attainment***
- To provide pastoral support, where identified for children***

Proposals during the school year:

- Provide opportunities for art – Music tuition/Choir***
- Continue to teach in dedicated sessions, phase led for focus and continuing the use of NTP (maths)***
- Reading opportunities - additional***
- Ensuring any intervention is re-evaluated and effective, termly***
- Target Vulnerable children for SLT (English) – making a difference with effective tutoring EEF***
- Support all identified children with small in class , out of class for intervention and SENCo support***
- Continue with Build Happy/Forest School/Bubble Time/mindfulness for pastoral support for PP and SPP***

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<i>Nationally, PP children remain in the lower attainment bracket nationally</i>
2	<i>To provide pastoral support, where identified for children and identified resources</i>
3	<i>Financial constraints on all families, including those who are members of PP families may be challenged currently and have an impact on extra-curricular activities and well being</i>
4	<i>Making a difference with effective tutoring</i>
5	

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Carefully reflecting on the latest guidance from the EEF (May 2024)

Intended outcome	Success criteria
<p><i>To ensure all PP children achieve inline or better than their peers to narrow the gap in attainment</i></p> <p><i>All children will receive QFT</i></p>	<ul style="list-style-type: none">• <i>Teachers will support their pupils through the learning process; using key strategies</i>• <i>Knowing their pupil, using effective assessment strategies and using AFL for effective learning</i>• <i>NTP will be effective (1:1 maths – effective at improving pupil outcomes EEF 1:1</i>• <i>Using effective questioning – all classes Blooms</i>

	<ul style="list-style-type: none"> • <i>Metacognition (EEF and Building Learning Power) – high impact low cost</i> • <i>Collaborative learning (EEF)</i> • <i>Modelling and scaffolding to build confidence</i> • <i>Teaching observations are at least good in all classes</i> • <i>Teaching monitored by HT/subject leads</i> • <i>Planning will show ‘connectedness’ in the curriculum, relevant to our setting</i> • <i>CPD is current and relevant and develops expertise</i>
<i>To ensure all PP children achieve inline or better than their peers to narrow the gap in attainment</i>	<ul style="list-style-type: none"> • <i>Continue to teach in dedicated sessions, and continuing the use of NTP 2024-25 1:1 EEF effective tutoring providing targeted support for pupils identified as having low prior attainment or struggling in particular areas (maths)</i> • <i>Reading and writing opportunities and supported in class scaffolding as well as TT writing with SENCo</i> • <i>Ensuring any intervention is re-evaluated and effective, termly</i> • <i>Support all identified children with small in class or out of class for intervention (monitor overview of provision for PP and VG)</i> • <i>Use of metacognition and self-regulation approaches (BLP) (EEF low cost high impact + 7months)</i> • <i>Feedback marking (in class and dedicated sessions) (EEF low cost high impact +8 months)</i> • <i>IT resources will be provided if pupils taking part in NTP out of school time do not have access to IT</i>

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 3650

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Additionally Teaching support to lower adult/pupil ratio Maintain 4 class structure</i>	Reducing 'class size' (EEF +3) Collaborative learning (EEF +5)	1 and 2
<i>Feedback marking support from Teacher and TA in dedicated sessions</i>	High impact – low cost (EEF +8)	1 and 2
<i>Music tuition/choir opportunities</i>	<i>Arts participation approaches can have a positive impact on academic outcomes in other areas of the curriculum.(EEF +3)</i>	1,2 and 3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 1000

Activity	Evidence that supports this approach	Challenge number(s) addressed
NTP	Previous use of the NTP has shown a positive impact on the learning and confidence of the children taking part and the added impact to class T&L One to One tuition on line (EEF supported +5)	1 and 2
SLT	Previous use of SLT has shown a positive impact on teaching and learning for children taking part	1 &2

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £904 (approx).

EEF Collaborative Learning – The impact of this is consistently positive

EEF Feedback – consistently used in class by teacher, peers and additionally feedback marking when revisiting marking to ensure understanding

EEF Metacognition and self-regulation – links well with Building Learning Power in school and how children 'learn to learn'. Also works effectively with collaborative Learning approach and providing pupils with strategies

Arts participation - Arts participation approaches can have a positive impact on academic outcomes in other areas of the curriculum

These approaches are successful in our setting and are high impact low cost with research that shows evidence of these approaches are consistently positive
