

## I am House Spider

*I am house spider.  
In the day I shoot silk-like cobwebs.  
But at night I sleep, hanging on my delicate  
cobwebs.  
When I sleep I dream.*

*I dream I am a small spider creeping all around the  
world missing out Iceland.  
I come in a variety of shades of colours like a  
rainbow.*

*I dream I am the biggest spider in the world.  
I live in Northern South America in the rain forest,  
And I am of hand-like size.*

*I dream I am the scorpion-tailed creature from  
South East Asia  
Making my tree-like web.*

*I dream I am the long legged spider that lives in  
people's houses  
Trying to find a corner to make my landing for the  
night.*

*And I tell you my dreams so you can dream with  
me.*
